The world is a dark and dangerous place, comfortless and cruel. Which is why we need happy-go-lucky birds like Romford's Ruby to keep our peckers up when life seems bad (at the time of writing, a Monday morning). Oh mammy

I've had my fun with smaller-boobed girls, but nothing beats massive mamms that I can squash and mould around my face and cock.

Recently, I met a girl out clubbing, Shani, and she had the most stunning pair. Once my chat had worked on her, it was almost painful having to

enough not to keep me in suspense for too long!

Her tits looked even bigger dangling above my face as I fucked her.

It didn't take long to get her cumming round my stiff length.

She leant forward, pressing them against my chest as we kissed, then she pulled herself off me, leaving my sodden cock straining flat against my belly.

She

slithered down and I breathed in deep, mind racing and dick throbbing with anticipation. And I almost blew my load right then when she wrapped those two huge globes around it for a tit wank.

All the wet-

of times to lick my helmet and dribble down my shaft. But I knew how things were going to end - Shani with her big tits clamped around the entire length of my cock, root to tip, jacking me, then grabbing it as I began to hose my spunk all over them.

I came so hard it almost hurt. And she used my cock to rub the whole lot in, before sucking the saltiness off her nipples.

Sometimes I think I could give up fucking as long as I get tit-sex on demand.

Stud poker

Hello there, big thanks for a great mag. We thought it was about time we brought a smile to us and to all your avid readers.

We are a broad-minded adventurous married couple who have had lots of XXX adventures in our time.

Recently, my wife Jane and I got in contact with a stud from down London way.

His name was Julian, he was experienced at meeting couples, done the three-some thing and was very well endowed!

We arranged to meet the following weekend at the local Travelodge.

Just before we met, Jane made herself look hot with high heeled boots, a thong with matching red and black basque and a shaven pussy.

After a few last minute directions over the phone there was a knock at the door. I let him in and his eyes nearly popped out when he saw Jane lying there on the

Dear Julia: Fantastic mag! Am a massive mas-sive fan of Sarrah from Hull. I'd love to make contact and unload my spunk over her fantastic boobs. I'm such a big fan that I'm getting a tattoo of her done on my right leg. Am hoping that Sarrah can autograph it for me so I can have that tattooed on my leg as well. She's the perfect lady. Beckham's next tat?

Julia says: Nice! I wish someone would get me tattooed on them! The nearest I've got to that is dropping a hot rock in my ex's pubes after a good seeing-to one night. He'll remember me forever! I hope Sarrah tattoos catch on!

Dear Julia: Please pass to prick-pleaser Kessie from Notts in vol 30 no 9. I love your pigtails – reminds me of a lady of the night I once knew. I'd love you to suck my cock dry – a treat for an old sailor like me. Oh by the way, have had

Julia says: I used to have pigtails like Kessie! I got blokes to hang on to them while they were fuck-ing me from behind. I called them my "rogering reins!"

Dear Julia: Re: Mr C of Belfast in vol 31 no 1 on Janet from Hull. I agree with every word in his letter. REAL WIFE SEX

Rachel,
Berks

Sean knew his missus had a penchant for pussy, but not a craving for cocks!

This is my bird Rachel – ain't she a cracker? She's what you might call a goer. At least that's what I call her – she loves it!

For years we've been having loads of fun with other girls. One of her favourite things is to have me and a girl licking her out together.

She'll sit on the girl's face and have a lap at her cunt while I get back there and have a good taste of her holes.

She really likes it when I start fingering her, getting a finger up her arse and a finger in her pussy

while there's a girl licking at her clit drives her up the wall!

It's lucky that my favourite thing to do is to fuck her doggie style and have my bollocks sucked at the same time, and when you've got a couple of birds in this position, it's the easiest thing in the world to pull your hard cock out, covered in pussy juice, and slide it straight into a waiting mouth.

Getting your dick sucked upside down so the top of her helmet is rubbing against a hot tongue and your balls are resting on some babe's

face is something else!

The only trouble is, Rachel's a bit impatient and she's been known to scream for some cock up her when I've been getting a bit too much into the blow job!

And she's not fussy about where you shoot your load either. I can blast my spunk over her arsehole, up her back, onto her cunt or thighs, she don't care. But I prefer to spunk all over the girl underneath me, that way I can get my dick sucked by her to finish and then watch her get all the jizz spread over

DICK AROUND

Rachel's sopping pussy.

She's a complete and total sex machine with absolutely no self-control whatsoever when she's with me. Wherever she goes men and women alike pay close attention to her every move. Though it isn't just the provocative way she dresses which makes men drool and make other women think she's just a cheap slapper.

Rachel's a really pretty, well-stacked redhead with fabulous legs, a terrific curvy arse, and one very, very hungry pussy! Now I'm no oil painting, but I do keep myself fit in order to keep up with her sexually, and until just over a week ago I was convinced I was keeping her reasonably satisfied, just me, my cock and a fresh girl every other week or so. I never thought she'd need more than I can give her, but it turns out that I underestimated just how much

We're both in our late 20s. I work in a bank, and though I'm still only halfway up the management ladder, our combined income is sufficient to provide us with a fairly decent lifestyle. Rachel spends a good amount on making herself attractive and I consider that money extremely well spent, especially after what happened at the end of last week.

She's not fussy
where you shoot

Rachel had said she was going out shopping, so not expecting anyone to be home, I headed up to the bathroom for a long hot shower.

As I approached our bedroom door

on the way along the upstairs hall, however, I heard a woman moaning and several voices, one of them a man's! A bit stunned, I looked round the door, and copped the most astonishing and erotic eyeful of my life. A bloke maybe five years younger than me, and a girl of about the same age, were in bed with my Rachel, and the three of them were going at it every which way! None of them even looked up from the bed,

A sex machine out of control

they were all far too engrossed in fucking, sucking and fingering each other. Unbelievably shocked, but very far from displeased, I just stood and stared, my penis hardening up like never before as I saw just what excesses Rachel was capable of behind my back!

At the moment I sneaked into the room, she was writhing and whimpering as the young guy rammed his

Nosey bonk

I'm a good neighbour and a shameless nosy cow, so when new people moved into the flat opposite ours, I went over, bottle of wine in hand to meet them.

I assumed Angie and Michelle were just flatmates, then realised they were sat holding hands on the couch.

One bottle led to another and one hour later, I was still there and pretty tipsy. They said this was their first place together and they were still in

I ran my hands up and down her body, drawing her closer to me as I stroked her tits. I unfastened her blouse and pulled them out of her bra, shoving them together to nuzzle her cleavage, before sucking each nipple in turn.

Then she paused things so we could undress, and as I sat in the chair, she straddled me, knees on the armrests so her pussy was in my face.

She had a trimmed blonde bush and I stroked and ruffled it before parting her labia to reveal a shiny wet pink slit

£120

I revealed her shiny wet pink slit and her button clit

the "honeymoon period". Not that they wanted me to leave them alone!

It wasn't a case of if but when somebody'd make a move, and as Angie leant over to top up my wine glass, that's when we kissed. I glanced at Michelle, who seemed chuffed about it, so I started snogging her girlfriend full on.

and the little pink button of her clitoris.

I breathed in her scent and started to lick her. I got so keyed up, lost in the experience, that I didn't see Michelle strip off, just suddenly realised she was naked. Then she came crawling over towards us.

Angie liked it when I sucked her clit, and Michelle knew

**Rhonda,

what else she wanted.

She parted Angie's arse cheeks and licked up and down her crack, then tongued her pucker, making her grind hard against my mouth.

Angie's juices were really flowing now, and I rubbed fingerfuls of her hot sticky fluids

all over my boobs.

She was letting out little moans and it wasn't long before she was cumming, rubbing right up against my face.

She stayed where she was, satisfied with the occasional teasing lick

from me, and Michelle had switched to eating me.

I felt her nose rub against my clit as she fucked me with her tongue and I moaned against Angie's slit.

The pleasure was building inside me, then Michelle slipped a hand under my bum and started to tease my arsehole, too.

I felt my crotch, thighs and belly tighten, then a massive orgasm ripped through me.

As I threw my head back and moaned, Angie reached down to frig herself, droplets of wetness splashing on my face.

I didn't want to outstay my welcome, so I kissed them goodbye and left Michelle drinking the juices out of Angie's pussy.

And I pretty much pounced on my bloke when he came in through the door, although I didn't tell him what had got me so desperate for his cock!

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

TINA, NOTTINGHAM.
32D-24-34, 38 years old. Top Dogging, p. 28. "I got shagged senseless in an army barracks after lights out!"

"I received lots of letters of support from your readers after my strip in vol 29 no 4!"

Dear Escort,

After splitting from my husband I met a new man through your pages. He was the first ever to make my pussy squirt!

He lost his job recently and we decided we had to find new ways of making money.

So we went down to our local strip club and I was allowed to practise on the pole. Some blokes watching told me I was better than the stripper who had just been on and one man even offered

me money for a private show the next day.

I was so damp between my legs at the thought of it. The next day I went back to meet the man. There were four of his mates in the club. I was given a few drinks to loosen me up and then went upstairs to get changed into

a sexy outfit.

When I came down they were all watching porn. I stood in the middle of the room and started to strip.

I was down to my bra, knickers and stockings when one of the guys came over and started to feel my tits. Then I felt another pair of hands on my arse. My bra came off and my knickers were pulled around my knees.

I was told to kneel down and I took it in turns to go round a circle of men and suck them off.

One man lay down and I was lifted up and placed over him so his cock was at the entrance to my hot wet pussy. He filled me to the hilt and I started to ride him. Meanwhile I sucked in turns the three big cocks stuffed in my face, licking them so deeply it made me gag.

All of a sudden I felt a pleasurable pain as the fifth man slid his cock up my

virgin arse. He began to fuck him in rhythm with his mate in my pussy.

We fucked until I had five loads of salty spunk squirted into all my holes.

I was exhausted but they weren't finished yet. They got me to play with my vibrator while they kneeled round me wanking their cocks.

I told them how I had never felt this horny and was getting wetter and wetter. I could feel my orgasm rising while I was looking at their blurry cocks, feeling so pleased that I could get and keep all of them hard.

I started to squirt, gushing hot rivulets of pussy juice all over the floor, thinking it would never stop. That was all they needed – all five of them came in big dollops all over my squirming body.

When I got home my pussy and arse were sore from all the fucking but when I told my boyfriend what had happened he fucked me for a few more hours as I told him every detail.

I am waiting to perform my first strip in public and looking forward to giving a show to please all!

Tina, Notts

REAL WIFE SEX

Sean's story continued from page 19

cock into her pussy, while calling for him to fuck her harder! He paused momentarily, supporting his weight on his arms and withdrew from her pussy entrance, taunting and teasing her by nudging his helmet against her soaking cunt a few times. Then he thrust back into her again, making her buck and gasp. At the same time, the female, who I later found out was his girlfriend, was stroking my bird's pussy hair, fondling Rachel's tits and licking and kissing her neck. Her name was Ellen, and Rachel told me later that the boyfriend was called Mick.

I don't even remember tugging my cock out and starting to stroke it. I was too worked up to think straight. I only knew that I had never been so excited by any sight in my life.

Ellen's body, which

was covered with freckles, was slightly chubby in a peculiarly attractive manner and her big, plump tits were swinging as she manoeuvred around on the bed, stroking Rachel's pussy and her boyfriend's balls while Mick fucked Rachel.

After a minute or two, with Mick still shagging my woman, young Ellen started sucking on Rachel's rosy nipples, tugging them to hardness with her teeth as Rachel wriggled and groaned expletives. She was fucking this Mick guy back even harder than he was fucking her, so much so that the young bloke was having trouble balancing his weight on his elbows.

At last he slipped, and Rachel took the opportunity to roll out from under him and give Ellen full access

to her soaking wet pussy. Ellen licked her with gusto, and I was astonished to see how crazed the intimate attentions of another female were making Rachel. I had known she liked women but I had always thought, stupidly, that she was into them more for my sake than hers.

Looking back, it's amazing that no one noticed me, but they were all so completely into what they were doing that only an atomic bomb going off downstairs would have distracted them.

She sucked my wife's badonglas

Mick was on his stomach, licking Ellen's pussy as she did the same to Rachel, his legs hanging over the end of our bed.

Then they switched around again. Mick moved up onto the pillows and, squatting, lowered his thick cock into Rachel's open mouth while his girlfriend dry-humped her, grinding her pubic bone against Rachel's curly, dark brown pussy. Their bodies writhed together, nipples brushing against nipples as they sighed.

At last, just as I felt myself about to come, Ellen moved down Rachel's body and licked the whole length of her dripping wet slit, before burying her tongue

between the dainty folds of her labia. This was just too much for my Rachel and she climaxed with almost incredible force, bucking on the bed so hard that Ellen's face was pushed aside by her thighs and Mick's shaft jerked out of her mouth, spraying his thick, white spunk on her face.

I was in a dream world as I, too, shot my load, not caring that my jetting cum was raining down all over the bedroom carpet.

There was no fuss when they finally noticed me standing there, and I found out later that Rachel had been more than just friendly with this couple for several months, but hadn't been sure how I'd react to the other cock getting rammed up her.

But I realised I'm happy for her to get a hammering while I watch as well. I expect to be seeing Ellen and Mick in our bed with her again sometime very soon I trust! ☺

HEIDI!

Slitty in pink Heidi (22) can't abide knickers. "I just get them off as fast as I can. I don't normally wear them. I like to feel a bit of a breeze when I'm walking and of course it makes it so much easier to get to if I feel like a bit of a fiddle. If I ever want to pull a bloke I lean over and whisper that I'm going com-mando. Instant interest! And if he looks like he needs extra convincing I'll take his hand, pull it up my skirt and dip it in the honeypot! Game over!"

Roller girl

Just thinking about horny men looking at my body in photos and bashing the bishop over me gets me so turned on.

I'm always guaranteed a good fuck after a posing session with James too.

We were redecorating our house and I suggested to James that we take some more pics for the randy readers of *Escort* magazine.

While James was momentarily distracted I playfully daubed paint over my tits and down my stomach, letting it run over my body and down my legs.

When he looked up I told him I'd been a naughty girl and spilt paint over myself.

He said I had to be pun-

He spanked my painted arse

of what he was going to do to me.

Just to make sure I teasingly rubbed more paint into my curves.

James said to get down on my hands and knees before squatting down beside me.

He rubbed paint up the inside of my legs and over the cheeks of my arse before giving them a playful spanking.

The sound of his hand slapping away and that hot tingling feeling that followed nearly had me cumming on the spot.

Paint was splattering

Hard enough

Hi there *Escort* readers. Do you like my pussy? Would you like to eat it? Are you a woman who'd like to strap it on and fuck me while my boyfriend fucks you?

We're into threesomes with bisexual women. My boyfriend is happy to just sit and watched but will get

involved if you want him to.

I love to eat pussy, love having a babe sitting on my face while I chew out her cunt, blinded by her love petals.

My ultimate fantasy is to have a woman come to our home and come on to me strongly. She would kiss me hard on the mouth and push her tongue into it, making me touch her cunt.

I would get down on the floor between her knees and start to lick and kiss her thighs and she would start thrusting her pussy at me, rubbing her cunt over my face through her knickers.

Then she would pull them to one side and I would open her up with my tongue, tasting her wetness.

And while I am eating her out, my boyfriend is lifting up my skirt and pulling my knickers down to my knees.

His fingers would easily slide up inside my hole as I would be very wet by then, and he'd have to

**Donna,

She fucked me harder than he did

replace them quickly with his cock.

He would begin to bang himself slowly but

firmly against me, pushing my tongue deeper inside her.

Then he would give her a strap-on dildo and they would

strokes, nearly pulling out before plunging back in.

He rubbed paint into my wobbling tits before pulling my nipple rings.

I pushed my hips back towards him as he thrust forward so I could feel the full length of his shaft in my sopping wet baldbox.

Gripping my hips he pulled me backwards even harder. I moaned loudly and within seconds I was spraying pussy juices all over his cock.

Turning over I opened my legs wide and pulled my lips open while James knelt in front

of me.

ered arse beckoning to him. Getting in between my legs, he let his bell-end brush against my pussy lips.

Then with one sudden move he slipped effortlessly up my wet slit.

I let out a gasp as he pushed his crimson crowbar all the way in to the hilt.

He fucked me in long hard

of me.

He started to wank himself off, his strokes getting faster and faster before shooting sticky spunk all over my open pussy and across my tits.

I was in a right state and in need of a shower but, you know, I might get the hang of this decorating lark!

Sheila, West Yorks.

Munch break

Since we moved closer to my husband Darren's office, he comes home for lunch a lot.

This means he'll often grab a quickie as well as a bite to eat.

I pounced as soon as he walked in through the door. He pulled my skin-tight jeans and knickers down around my thighs, then slapped me round the arse.

I squealed and he said it wasn't half as sore as his aching balls had been all morning.

I said a wank would have sorted him out. He laughed.

Then he grabbed my bottle of body lotion from the shelf, and squirted a load of it over my arse, using

arsehole in one stroke.

I went to play with my clit, but Darren slid a hand down, cupping it between my labia so I'd have to wait for

Melissa, Lincs

He shot his load and frigged my clit

his fingers to work it into my hole.

He made a real thing of slapping on loads, and on his cock too – the big, hard cock I was gagging to feel in my snatch, although I knew I wouldn't be getting it there.

He couldn't resist doing my arse any more than I could – his slick cock sank into my

him to cum first. Not that the pressure of my lips against it helped cool me off any!

Then, finally, he shot his load deep in my arse, and started to frig my clit like mad, bringing me off in seconds.

Even when he'd shot his last bolt, I carried on cumming round his dick!

Melissa, Lincs. 📧

shift me onto all fours and change places. My boyfriend's lovely dick in my mouth, her strap-on up my pussy.

She would fuck me harder than he did. Spanking me and grinding her cock around my cunt hole.

To make me cum, she would take hold of my arms and pull them back so my boyfriend would have to stand to get his cock in my

mouth, and they would fill me up with cock, and he would cum in my mouth.

I'd still be going though, whacking my arse back against that bitch's groin until I cum on her big, fat strap-on dildo.

Did I say I like to be fucked hard? You bet I fucking do. If you think you can help please write to me. Time wasters need not apply!

Donna, Colchester.
